Also included will be instruction (lead classes) of Yoga with our own private teacher for most of each and possibly public classes for other parts. There will be arranged “field trips” to observe various aspects of Indian life including living ayurveda as well as some overnight side trips. The purpose of the trip is to experience the ayurveda and Yogic lifestyle by actually living it, as well as get a “taste” for ancient and current Indian culture..

This agreement form filled out and signed as well as a non-refundable deposit of \$600.00 is to be paid, before your arrangements will be made. If the trip is cancelled by the organizers (Kerry Lawson or Aeroworld Travel) for any reason the deposit will be fully re-imbursed. Total cost of trip **excluding spending money** will come to approx \$5,000 (shared accommodations) approx 5,200.00 if you choose private for some of the stays, more if you wish private the entire trip.

The deposit of \$600.00 is to be made to Kerry Lawson (check or money order). Please send a self addressed, stamped envelope if a receipt is required. Send deposit to: Kerry Lawson RR#2 Box 267A Tusket N.S. B0W 3M0

Each participant will be responsible for paying accommodation, meals, and travel during the trip. These arrangements will be made ahead of time by Kerry.

If you, the participant are unhappy with any arrangements and wish to stay elsewhere, the arrangements and cost of the changed accommodation is the participants responsibility **and is over and above the cost of arrangements already made**. The \$600.00 deposit will not be refunded.

There will be a variety of side trips and field trips available and arranged. Costs will vary for each trip and are the participants responsibility.

Transportation to and from airports and destinations, as well as ayurveda field trips, will be arranged by Kerry.

Upon arriving in India you will need to give Kerry \$300.00 (approx 12,000 rupees - varies according to currency rate). This will be used to pay for your portion of arranged ground group transportation ie. private vehicles and drivers, taxis, trains, buses, rickshaws (and some meals) during the 5 weeks in India. You will be responsible for your own private arrangements for trips you make on your own.

Each participants health and well being is entirely their own responsibility. It is advisable for each participant to have his or her own travel health insurance.

The flights will be arranged by Kerry Lawson. She will try to find the best price and flight path as well as the option to make one change with little penalty (should you decide to depart sooner or later than the original arrangement). Kerry will be searching for seat sales and some times this needs to be paid within three days so you must be ready to pay for the seat once you have made the deposit. Once flights are arranged it will be each participants own responsibility to pay for his or her flight (as mentioned it may have to be done within 3 days of receiving the information from Kerry). If there are no flights available for \$2,500 or less, the trip will be cancelled, and all deposits fully re-imbursed. You may also take care of your own flight arrangements.

I, _____ do not hold Kerry Lawson responsible for my health, safety and well being on this trip. I, _____ understand and agree to all of the above. Signature here _____

*My goal is to try to have a clear picture for each participant as to what this trip will cover, by having most of the arrangements made. There will be periods of time with no arrangements to allow participants to make some of their own plans whether it is simply to rest, go for walks or swim, go into town or take a small side trip away from the group. Each person will have their own personal experience and I have put this trip together to allow space and time for each person to have their own experience.

Please list below what you are hoping to achieve or gain from this trip as well as any worries you may have.
